- 
- — Submit proof of immunization to the Health Service at 4910 Drexel Drive. If you need additional shots, ask for information about the public health clinic.
- — If you have your own insurance plan, you must complete a medical insurance compliance form. If you do not show proof of adequate coverage by another company, you will automatically be charged for the XULA health insurance. You must provide an English translation.
- — The closest banks to the XULA main campus are below. Students are permitted to open an account *without* a US social security number by requesting a letter from CIIP.  
3201 South Carrollton Avenue  
, 4121 Canal Street (Canal St. + South Carrollton Ave.) 504-533-5303
- — Not all students are eligible to receive a Social Security Number (SSN). Only F-1 students who will be employed and J-1 are eligible to apply for a SSN. For more information and application procedures, speak with an CIIP advisor.
- — Review your copy of the **B**. This bulletin provides information on registration and fee payment, and includes information on how to get an e-mail account at XULA. See your academic advisor in your department before registering for classes. Course offerings are on the XULA website ([www.xula.edu](http://www.xula.edu)) and in the catalog.
- — A XULA identification card can be obtained on the first floor of the library during registration *after you have paid your fees*. After the registration period, you can go to University Center room 122 to obtain an ID.
- — In order to get a Louisiana Driver's License, you must take both a written and a practical driver's license test. You will need to have proof of identification, your social security card, proof of Louisiana address, passport, I-94 and I-20 or DS-2019, and your XULA fee bill. For more information, call the Department of Motor Vehicles at 1-877-DMV-LINE or visit their website at <http://omv.dps.state.la.us/>.
- - You must notify CIIP within 10 days of moving and give us your new street (physical) address.
  - You may use Banner to update your
    - address where you will receive postal mail
    - address where you physically reside. This may not be a P.O. Box or campus office.
